TERMS OF SALE

1. This is an unrestricted Mail Bid Sale. All lots will be sold to the highest bidder. Enter your bid by lot number. Please feel free to bid as much as you wish on each lot, with the realization that all bids will be treated as limits and all lots will be sold below those bids as competition dictates. Bids that are not entered in good faith or are deemed to be totally ridiculous will be refused at the cataloger's discretion.

2. Closing date for this sale is Saturday, January 25, 1992 at 9:00 P.M. (EDT).

3. Bidders who are unknown to us are requested to supply two (2) bank or trade references prior to the sale or submit a deposit equal to twenty-five percent (25%) of their total bid.

4. A ten percent (10%) Buyer's Fee will be added to each lot won. A packing charge of fifty cents per lot plus shipping charges also will be added.

5. TERMS: Strictly cash, payable in U.S. funds. Payment is due upon notification of successful bids. Title to all lots remains with Function Associates until paid for in full. Delivery may be postponed until full payment is received, at the discretion of the cataloger.

6. Unsuccessful bidders will be notified by mail in a prompt manner. We recognize the importance of liquidity of funds and will return deposits on a priority basis.

7. A Prices Realized List will be mailed to each bidder. A copy of the prices realized may be ordered for delivery after the sale. The price is one dollar ($1.00) for those persons who are not bidders.

8. Mail Bid Sales are not approval sales. No lot may be returned without written authorization and this must be requested within three days after receipt of lots purchased.

9. All books are as described. Any errors or typographical mistakes will be happily corrected.

10. A Florida 7% Sales Tax will be added to all lots delivered within Florida, unless a valid resale number is on file with us.

11. The cataloger has attempted to describe the condition of each lot as to signs of wear. If no descriptor is noted, it may be assumed that the lot is in Fine(F) to Very Fine(VF) condition. A "plus" (+) sign is used to denote that the contents of a publication is in better condition than the covers, as is the case in many instances.

12. Telephone bids are accepted. If you so desire, you will be informed as to whether your first bid is a successful bid or not. A second bid may then be offered, but with the provision that this second bid will not be reduced as competition dictates.

13. "Good Luck in your bidding."

D1. **BOWERS**,Q.David-**EMPIRE COIN CO.,INC.**-no date(end of 1961?)-"An Outstanding Selection of United States Pattern Coins; Featuring The Incomparable Collection of Major Lenox R.Lohr Of Chicago,Illinois"-This price list was produced by Empire on a duplicating machine and is printed on one side only. This copy consists of **22 pages** and Dave Bowers believes that this may be the most complete issue. This cataloger notes two other sales, both by "The Money Tree", in which the number of pages were listed as 15 and 16. The last page of this offering was photo-copied from another "complete" list. The title page is NM and contents are NM. For the advanced collector of "Bowersiana", an excellent opportunity . . . . . NM 250.00

SOME NOTES ON BIDDING

Please remember that the prices given at each lot are estimates only. They are intended to be used as a guide for your bidding. These estimates are gleaned from past auction records, new-book pricing and just "plain" common sense. Feel free to bid whatever you wish, knowing that we do reduce bids as competition dictates. If a particular lot is one that you keenly desire, it might be wise to bid somewhat above estimate. If there are no bids received above estimate, you will win that lot at estimate. Bids that are less than 50% of estimate are generally not successful.

Our grading system is explained on the inside of the back cover, however there is one point that you should be aware of. Most books, catalogs, documents, etc. will show more wear on the cover than abuse to the contents. In order to indicate that the contents are in better condition than the cover, we use the plus (+) sign. For instance, a book with a worn cover but nice contents will be graded as VF+.

For the most part, our aim is to make you aware of condition and price considerations so that you will be able to intelligently assess your bidding strategies. We welcome your suggestions or comments.

END OF SALE

Dear Subscriber,

You will note that there were some exceptional values to be found in our Tenth sale. The early bidders garnered quite a few of the lower priced items since our policy is that the earliest bid received wins on ties. In addition, our telephone line was very busy on the closing date with bidders taking advantage of the rule that allows a second bid to be made when the first bid is determined to be a non-winner.

Several lots are worthy of mention for the keen competition they attracted. The "complete" copy of Dave Bowers' Empire Coin Co. price list of United States Pattern Coins (Major Lenox R. Lohr) received the most attention and was awarded to a collector at $385.00 on an estimate of $250.00. An autographed copy of Dr. William Sheldon's "Early American Cents; 1793-1814" brought a winning bid of $150.00. Many sharp-eyed bibliophiles recognized a cataloging error and bid the Numismatic Society of Philadelphia's "Catalogue of American Store Cards..." to $130.00. This lot was described as "no date (early 1900's?)" when, in fact, the date of publication was 1860.

Our next sale will feature the numismatic library of Harry Lessin. Mr. Lessin was a life member of the American Numismatic Association and served as that body's legal counsel in the early 1960's. His collecting habits were eclectic, but he may be best remembered for his Bryan money collection and, also, for his Lincoln and Washington medals. Much of his collection was featured in the recent Bowers and Merena "Frontenac" sale. His library is replete with fine reference works covering the full range of the numismatic experience and you will find many autographed volumes. Look for your catalog to arrive in early April.

Our printing and postage costs continue to rise and we solicit your cooperation by informing us of address changes in a timely manner. We must also assess activity in our subscriber list and make necessary adjustments as that activity indicates.

Many thanks for your interest and support and please write or call with any comments or suggestions.

Cordially,

Fred L. Lake
